

AGA CERTIFIED PRODUCT

WaterMark Licence

The Australian Gas Association (AGA) hereby grants

Brita GmbH

Heinrich-Hertz Str. 4, D-65232 Taunusstein, GERMANY

the "Licensee" the right to use the WaterMark for products only as described in the Schedule of this document set and which conform to:

AS/NZS 3497-1998 : Drinking water treatment units – Plumbing requirements
(Incorporating Amdt 1)

Manufactured by : Brita GmbH
Heinrich-Hertz Str. 4, D-65232 Taunusstein,
GERMANY

The particular **PLUMBING PRODUCTS** specifically described in the attached schedule have been assessed by the AGA to comply with the requirements of the AGA's Product Certification Scheme for Type Tested Plumbing Products and this Licence is issued on the express conditions that:

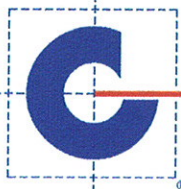

- (i) The Licensee undertakes to comply with the Rules Governing The AGA Certification Scheme for Type Tested Plumbing Product (hereafter called the *Rules Governing*);
- (ii) The Licensee undertakes to comply with the terms of the WaterMark Licence Agreement throughout the currency of this Licence;
- (iii) This Licence remains the property of the AGA; and
- (iv) The AGA reserves the right to cancel this Licence in accordance with the *Rules Governing*.

Note 1: The WaterMark is a registered trademark of Standards Australia Ltd (ABN 85 087 326 690) and is issued under licence by The Australian Gas Association.

Note 2: This Licence document remains the property of the AGA and must be returned to the AGA upon request.

Note 3: This Licence document is also an AGA Certificate and the Licensee is by default an AGA Certificate Holder.
